Greetings,

Kosher Certificate

I hereby certify that
The Hanstone Quartz Counter Surfaces
manufactured by
Hanwha L&C – Surfaces
in their factory in London Ontario, Canada
are Kosher

In order to Kosher them after non kosher use, kosher them for Passover or switch them from milk to meat one must pour water directly from a boiling "*kli rishon*".

(Please take particular care when kashering the joints and connections)

It is advisable not to place solid hot food directly on the countertop

Sincerely,

Rabbi Yisrael Rozen, Eng.
Dean, The Zomet Institute

This certificate is valid until 18/5/2014
